DECLARATION OF COVENANTS

On this 1st day of December, 1981, S. & S. LAND AND CATTLE COMPANY, a Texas Corporation, herein called "Developer", hereby declares that the land described below shall be held, transferred, sold, conveyed and occupied subject to the following covenants, conditions, restrictions, easements, charges and liens, herein called "covenants", by specifying and agreeing that this Declaration and the provisions hereof shall be and do constitute covenants to run with the land and shall be binding upon Developer, its successors and assigns and all subsequent owners of each lot; and the owners by their acceptance of their deeds for themselves, their heirs, executors, administrators, successors and assigns, covenant and agree to abide by the terms and conditions of this Declaration.

1. Land. Developer is the owner of real property located in Hays County, Texas (herein called the "Land"), more particularly described in the attached Exhibit "A" which is attached hereto and made a part hereof for all purposes.
2. Subdivision. Developer has subdivided the Land into lots according to the plat of record in Book L, Page 627, Hays County Plat and Deed Records.
3. Purpose. The purpose of these covenants is to provide a method and agency to develop and maintain the entrance and architectural control within the Subdivision, upon the easements as platted.
4. Association. Developer has organized Willow Creek Estates Phase 3 Owner's Association (herein called "Association"), which will be the agency to maintain the entrance and architectural control within the subdivision, upon the easements, as platted, and in general out of these covenants.
5. Membership. The record owner of each lot to which this Declaration applies shall be a member of the Association. The membership shall be appurtenant to and may not be separated from the ownership of any lot. Record ownership of a lot shall be the sole qualification for being a member of the Association.

6. Voting. The Association shall have a single class of voting membership which shall be the owners of lots within the subdivision. Members shall be entitled to one vote for each lot owned. When more than one person owns a lot, all are members of the Association and the one vote for each lot shall be cast as the owners determine among themselves.

7. General Provisions.

a. Duration. These covenants are to run with the land and shall be binding on all parties and all persons claiming under them until December 1, 2001, at which time said covenants shall automatically be extended for successive periods of ten years unless an instrument signed by the majority of the then owners of the lots has been recorded, agreeing to change such covenants in whole or in part.

b. Enforcement. If the owners of any lot or their heirs, executors, administrators, successors, assigns or tenants shall violate or attempt to violate any of the covenants set forth in this Declaration, it shall be lawful for the Association or the Developer, or if the Association or Developer shall fail to do so after sixty (60) days written notice from a person owning any lot encumbered by this Declaration, then for any such owner to prosecute any proceedings against the person or persons violating or attempting to violate any such covenants. The failure of the owner or tenant to perform his obligation hereunder would result in irreparable damage to the Developer and other owners of lots in the subdivision; thus the breach of any provision of this Declaration may not only give rise to an action for damages at law but also may be enjoined by an action for specific performance in equity in any court of competent jurisdiction. In the event enforcement actions are instituted and the enforcing party recovers, then in addition to the remedies specified above, court costs and reasonable attorney's fees shall be assessed against the violator.
