STATE OF TEXAS
COUNTY OF HAYS

On this 23rd day of December, 1999, San Marcos Affordable Housing, Inc., a Texas Corporation, hereinafter called "Developer", hereby declares that the land described below shall be held, transferred, sold, conveyed and occupied subject to the following covenants, conditions, restrictions, easements, charges, and liens, hereinafter called covenants, ("Covenants"), by specifying and agreeing that this Declaration and the provisions hereof shall be and do constitute covenants to run with the land and shall be binding upon Developer, its successors and assigns and all subsequent owners of each lot; and the owners by their acceptance of their deeds for themselves, their heirs, executors, administrators, successors and assigns, covenant and agree to abide by the terms and conditions of this Declaration.

1. Land. Developer is the owner of real property located in Hays County, Texas (herein called the "Land"), more particularly described as 38.52 acres out of the T.J. CHAMBERS SURVEY AND JOHN WILLIAMS SURVEY.
2. Subdivision. Developer has subdivided the Land into lots according to the plat of record in Book 9, Pages 91-93, Hays County Plat and Deed Records as WILLOW CREEK ESTATES SECTION 10A.
3. Purpose. The purpose of these covenants is to provide a method and agency to develop and maintain architectural control within the subdivision.
4. Association. Developer has organized Willow Creek Estates, Section 10, Owner's Association (herein called "Association"), which will be the agency to maintain the architectural control within the subdivision.
5. Membership. The record owner of each lot to which this Declaration applies shall be a member of the Association. The membership shall be appurtenant to and may not be separated from the ownership of any lot. Record ownership of a lot shall be the sole qualification for being a member of the Association.
6. Voting. The Association shall have a single class of voting membership which shall be the owners of lots within the subdivision. Members shall be entitled to one vote for each lot owned. When more than one person owns a lot, all are members of the Association and the one vote for each lot shall be cast as the owners determine among themselves.

7. General Provisions.

a. Duration. These covenants are to run with the land and shall be binding on all parties and all persons claiming under them until December 31, 2024, at which time said covenants shall automatically be extended for successive periods of ten years unless an instrument signed by the majority of the then owners of the lots has been recorded, agreeing to change such covenants in whole or in part.

b. Enforcement. If the owners of any lot or their heirs, executors, administrators, successors, assigns or tenants shall violate or attempt to violate any of the covenants set forth in this Declaration, it shall be lawful for the Association or the Developer, or if the Association or Developer shall fail to do so after sixty (60) days written notice from a person owning any lot encumbered by this Declaration, then for any such owner to prosecute any proceedings against the person or persons violating or attempting to violate any such covenants. The failure of the owner or tenant to perform his obligation hereunder would result in irreparable damage to the Developer and other owners of lots in the subdivision; thus the breach of any provision of this Declaration may not only give rise to an action for damages at law but also may be enjoined by an action for specific performance in equity in any court of competent jurisdiction. In the event enforcement actions are instituted and the enforcing party recovers, then in addition to the remedies specified above, court costs and reasonable attorney's fees shall be assessed against the violator.

c. Severance. In the event any of the foregoing covenants, conditions, restrictions, reservations or charges is held invalid or unenforceable by a court of competent jurisdiction, it shall not effect the validity and enforceability of the other covenants, conditions, restrictions, reservations or charges. If one of the foregoing is subject to more than one interpretation, the interpretation which more clearly reflects the intent hereof shall be enforced.

d. Divestiture by Developer. Notwithstanding any other provisions of these covenants, the Developer shall cease to vote any lots which the Developer may still own, with regard to the election of the Directors controlling the Association, at the end of three (3) years from the date of the first sale of any lot in the subdivision or when sixty (60%) percent of the lots are sold, whichever occurs first.

(1) Architectural Control Committee. An Architectural Control Committee shall be designated and composed of three (3) directors of the Association.

(2) Approval of Plans and Specifications. No building, fence, wall, or other structure shall be commenced, erected, or maintained upon the Properties, nor shall any exterior addition to, or change or alteration therein, be made until the plans and specifications showing the nature, kind, shape, height, materials, and location of the same shall have been submitted to, and unanimously approved in writing by the Architectural Control Committee as to harmony of external and location in relation to surrounding structures and topography. The Architectural Control Committee is specifically authorized to review all building plans to determine whether or not adequate provisions have been made to save as many trees as possible and preserve the natural state of the land, and if necessary, the Architectural Control Committee may require the owner of a lot to revise such building plans in order to preserve the natural beauty of the subdivision.

(3) Failure of Committee to Act. In the event that any application to the Architectural Control Committee is not approved or disapproved within thirty (30) days following such submission, then it shall be deemed to be approved, and no further action shall be needed.
