

Helpful Emergency/Non-Emergency Contact Information

Emergency Numbers:

Did you know that you can call or text 911 for assistance? Hays County has enabled text messaging for emergency calls. Note that calls identify your location instantly; text messages do not so you have to input an address.

ATXfloods.com posts all local road closings. It's user friendly and only takes a moment to doublecheck road status before you head out for the day.

Haysinformed.com also has great information about emergencies, warnings, and notifications within the county. Super easy to use and shows information you need to know.

Police, Fire and EMS respond to 911 calls or text messages.

For Calls That Are Not Emergencies:
